

items	Model		D2S(M1)	
basic configuration	photos			
	dimensions(L*W*H)		2811mm*1540mm*1555mm	
	Wheelbase		1765mm	
	max speed km/h		105	
	maximum gradability		≥25%	
	range in NEDC km		○≥150	
			●≥250	
electric components configuration	Motor	PMSM	●	
		front wheel driven	●	
		Power:5KW/10KW	—	
		power: 15KW/30KW	●	
	power pack	Lithium battery		○17KWH
				●27KWH
	motor controller		●	
	power regeneration		●	
	on board charger 7-phasis as EU standard		●	
	DC-DC converter 800W		●	
	BMS/VMS/CAN		●	
	charging time (With 3.3kw charger) (SOC: 20%-100%)		8-10h (Home Power 15A) 27KWH	
			5.5h (Charger station 22A) 27KWH	
	vehicle Diagnose monitoring system		●	
manual inverter air conditioner	cooling /heating		●	

chassis and steering	electrical acceleration pedel		●	
	steering column: angle adjustable		●	
	steering wheel	leather	●	
	steering	EPS		●
		Mechanical steering lock anti-theft device		●
		ESCL		●
	suspension	front	McPherson suspension	●
		back	trailing type dependent suspension	●
	brake	front and back:disc		●
		foot parking brake		●
	wheel rim	aluminium alloy		●
	tyre	front: 145/60 R13		●
		front: 165/50 R15		—
		back: 145/60 R13		●
		back: 165/50 R15		—
	ABS			●
Chassis Anti-rust Protection			●	
Hill-start Assist			●	
	switch control	Rotary switch	●	
	visual reverse system		●	
	BMS/VMS/CAN		●	
	central control lock		●	
	digital remote control key		●	
	keyless start system (one press start)		●	
	door open alarm		●	
multi-media configuration	car-mounted system	system	android 9 inch	●
		bluetooth/radio/USB/SD/Wifi		●
	GPS			●
	Cellphone Mirror Link			○

safety measurement	safety belt		●
	air-bag for driver		●
	Over speed alarm		≥105km/h
	Low speed alarm (AVAS- Acoustic Vehicle Alerting System)		●
	Car Body Reinforce		●
windows	wiper		●
	window lifting system: electrical		●
	rear defroster		●
rearview mirror	exterior and interior rearview mirror	electrical adjustable and manual folded	●
		mechanical anti-glare	●
seats configuration	seats	PVC	●
interior configuration	instrument cluster	LED digital screen	●
	safety handle	co-driver side	●
light configuration	front and rear group lights		●
	front fog light		●
	Auto headlight		●
	Auto corner light Assist		●

remark: ●:standard,○:optional,—:none / The configuration is subject to change, pls refer to real vehicle.
